Walkabouts

Walkabouts will happen on and off child care properties throughout our regular programming. This includes any area that is not a regularly licensed space, such as school gymnasiums, around child care properties outside regular play spaces, or off property in nearby spaces that we are confident are safe to visit. These trips will allow us to visit people or places of interest, to become familiar with the environment around us, trips to look at trees, flowers, animals, etc. Quiet walks throughout the seasons help the children develop an awareness of physical changes around their child care neighbourhoods. If your child will be attending a field trip beyond this, a separate permission form will be provided. If you would like more clarification on site specific walkabouts please speak with the Program Supervisor of that site.

Ontario Child and Family Services Act (CFSA)

Dear Parent/Guardian:

Thank you for choosing our child care program for your child. We want you to know that we take our responsibilities for your child's welfare very seriously. The Ontario Child & Family Services Act dictates many obligations for the children in our care. We are compelled to adhere to this act. Please take the time to carefully read the following information.

Ontario Child and Family Services Act (CFSA)

The Ontario Child & Family Services Act recognizes that each person has a responsibility for the welfare of children. It states clearly that the members of the public, including professionals who work with children, have the obligation to report promptly to Children's Aid Society (CAS) if they suspect that a child is or may be in need of protection. CFSA 72(1); A child in need of protection is a child that has experienced physical, sexual or emotional abuse, neglect or risk of harm.

As professionals in the field of Early Childhood Education, Discovery Early Learning & Care staff and management are obligated to contact CAS if we have reason to believe that:

- 1. A child has suffered physical harm which includes:**
 - Failure to adequately care for, provide for, supervise or protect the child.
 - A pattern of neglect in caring for, providing for, supervising or protecting the child.
- 2. There is a risk the child is likely to suffer from physical harm inflicted by the person having charge of the child or caused by or resulting from that person's:**
 - Failure to adequately care for, provide for, supervise or protect the child.
 - A pattern of neglect in caring for, providing for, supervising or protecting the child.
- 3. A child has been sexually molested or sexually exploited by anyone or there is knowledge of a risk of a child possibly experiencing sexual molestation or sexual exploitation by anyone.**
- 4. A child requires medical treatment to cure, prevent or alleviate physical harm or suffering and the child's parent, or the person having charge of the child does not provide, refuses, is unavailable or unable to consent to the treatment.**

Ontario Child and Family Services Act (CFSA) continued on the next page.

Continued Ontario Child and Family Services Act (CFSA)

5. A child that has suffered emotional harm, demonstrated by serious:

- Anxiety
- Depression
- Withdrawal
- Self-destructive or aggressive behavior
- Developmental delay

And there are reasonable grounds to believe that the emotional harm results from the actions, failure to act or pattern of neglect on the part of the child's parent or the person having charge of the child including refusal, unavailability or inability to consent to services or treatment to remedy or alleviate the harm.

6. A child suffers from a mental, emotional or developmental condition that if not remedied could seriously impair the child's development and the child's parent or the person having charge of the child does not provide, refuses, is unavailable or unable to consent to treatment to remedy or alleviate the condition.

Parents/Guardians, the CFSA recognizes that person's working closely with children have a special awareness of the signs of abuse and neglect and a particular responsibility to report their suspicions. This makes it an offense to fail to report. CFSA 72(7),(8).

Any professional who fails to report a suspicion that a child is or may be in need of protection is liable on conviction of a fine of up to \$1,000. The professional's duty to report overrides the provisions of any other provincial statute, specifically those provisions of any other provincial statute, specifically those provisions that would otherwise prohibit disclosure by the professional. CFSA 72(7),(8).

Thank you for your understanding of our professional obligations and responsibilities.

Brown Bag Lunch Policy

For all youth attending our FDK Extended Day and School Age Programs

Discovery Early Learning & Care has a Brown Bag Lunch Policy that applies to all children attending school. On full days of care, these children will be required to provide their own.

The day care will continue to provide a morning and afternoon snack while in program. Milk will also be provided to children for their lunch and morning snack when they are having cereal.

Please note the following:

1. The Ministry of Education, our licensing body, has been working with early learning programs with regards to “Brown Bag Lunch Policies”. A copy of Canada’s Food Guide is also available upon request.
2. Parents /Guardian are requested to pack a “Brown Bag Lunch” and include an ice pack and refillable labelled water bottle for frequent access of water during the day.
3. All Discovery Early Learning & Care sites are peanut and nut safe environments and for this reason all the rules and recommendations with regards to this policy must be adhered to. On occasion there are some children with severe allergies to some specific foods and we will support those children and ask that you refrain from packing these food items in your child’s lunch. We only want to keep all of our children safe. A notice will be provided to you in advance of any additional high risk foods.
4. In the rare circumstances that a child forgets his/her lunch, appropriate action on the part of the child care centre will be taken in order to provide a lunch substitute. We will also contact you in case you would like to return with a prepared lunch for your child.

I have read, understand and am in agreement with the above Brown Bag Lunch Policy:

Summer Care 2018

Summer is fast approaching and we are starting to think about contracts for your summer care with us. Due to the extensive planning on our end, we require these contracts to be handed in by **Friday June 01, 2018**. Any contracts received after this date will not be guaranteed care until we have the chance to account for available spaces. Any contracts that are handed in late will be dated and available spaces will be granted in the order they are received.

As has been past practice, Discovery Early Learning & Care has, on occasion, had to combine sites during the summer months to accommodate renovations, maintenance of floors or just to better utilize staffing and keep programs financially viable. In the event that care will be affected at any of our sites we will notify you as soon as possible.

Policy for Summer Full Time Care

Full time care is classified as 4 to 5 days per week. If you do not know your vacation schedule at that time but will be using most of the summer please submit your summer contract with as much information as possible by **Friday June 01, 2018** to guarantee summer care. With two week's notice you are still able to make changes as required.

Policy for Summer Part Time Care

Part time care is classified as 1 – 3 days per week. We understand that some families who require part time care will only receive their work schedules on a weekly basis. Please submit your summer contract, signed, with as much information as possible by **Friday June 01, 2018** to guarantee summer care. If you have chosen to submit your schedule weekly, all schedules must be given to your site or the Main office by Wednesday of each week to confirm care for the following week. If we do not have your schedule by Wednesday at 4:00 p.m. we will not be able to guarantee space for the following week.

Policy for Call in Care

Call in families will continue to take their chance and call in for care as needed. Call in care is booked by calling in the morning of your requested day or the Monday of the week you are requesting care. Call In care does not mean that you automatically have a space for the days requested and you may be refused care if there are no spaces available for that specific day. Using care on a call in basis does not guarantee you a full time space in September.

Continued Summer Care 2018

Policy for Termination of Care

Families who wish to discontinue services for the summer are required to fill out the appropriate section on the attached summer contract at least two weeks (14 days) in advance of the discharge date. All fees owing to the day care must be paid prior to leaving the program. A 4% monthly interest fee will be added to accounts left in arrears and the account will be sent to collections.

If you have any difficulty completing the contract attached please speak with the Program Supervisor at your site.

Looking forward to a great summer!

Sincerely,

Jessica Carroll

Executive Administrator

Discovery Early Learning & Care

Continued Summer Care 2018

Summer Contract 2018

As a **Summer Care Contract** Parent/Guardian, I understand that I will be billed according to the current fee schedule and usage. Fees are invoiced in advance of care, and payment is due by the 15th day of each month. If payment is not received by the 15th, an automatic two weeks' notice will be given, and termination will be imminent on the last day of the month if payment is not received. Payments can be made by cash or cheque at all sites, and VISA, MasterCard or debit at our Main Site only – **please remember, if you are coming to pay at the Main office, please call ahead of time to ensure someone is in the office to process your payment.** In the event of an N.S.F. cheque, the bank penalty policy of \$45 will be charged to the Parent/Guardian as stated in the Family Handbook. A 4% monthly interest fee will be added to overdue accounts. A two week (14 day) notice is required by either party to terminate this agreement, without the notice you will be billed two weeks of care after the termination date. With regards to part time schedules, all schedules must be submitted no later than Wednesday by 4:00pm for the following week. If we do not receive schedules prior to this time, we cannot guarantee a space as meals and staffing are completed on Thursday morning each week. Any scheduled day not used for any reason will still be invoiced, unless proper notice of two weeks (14 days) is provided in advance of the requested change.

I understand that there may not be alternate dates available if I try to change the dates previously booked. Alternate dates will only be given if available. I understand that I will be charged for any days not utilized during my requested weeks due to illness, other holiday arrangements, or absenteeism for any other reason. Any additional time requested for care will be on a first come basis and based on availability during the week.

I understand that if I do not require any care for the summer (Monday July 02 - Friday August 31, 2018) it is my responsibility to place myself on the City of Greater Sudbury Child Care Registry if I require child care in the future. A two week written notice of termination of care is required at any time to discontinue services with Discovery Early Learning & Care.

The last day of school for all school boards is Friday June 29, 2018. This contract is in effect from Monday July 02 to Friday August 31, 2018.
