

## Discovery Early Learning & Care Expands to the Val Caron Community

We are thrilled to announce the expansion of our licensed child care services to the Val Caron community! Starting **January 6, 2025**, Discovery Early Learning & Care will proudly collaborate with **Immaculate Conception Catholic School** and welcome the families of **Learning Hearts Daycare**.

We are pleased to extend a warm welcome to the Learning Hearts Daycare families and look forward to meeting with you as we transition into the New Year. To ensure a smooth and seamless experience, we do not anticipate any break in service for families, including those currently on the Learning Hearts Daycare waiting list. Families on the **Children Services Child Care Registry** will soon be transferred to our **Discovery Early Learning & Care Immaculate Site waiting list**.

To help you get acquainted with our programs, we encourage you to visit our website at [www.DiscoveryCare.ca](http://www.DiscoveryCare.ca), where you can review our **Family Handbook** and other program materials. You can also stay connected with us through our **Facebook page** for updates and announcements.

An invitation will be shared directly with the **Executive Director of Learning Hearts Daycare** for distribution to all Learning Hearts Daycare families. This will include details about an upcoming event where you can meet our team, learn more about Discovery Early Learning & Care, and complete your new registration package.

If you have any questions, please don't hesitate to reach out via email at [tsarikoski@discoverycare.ca](mailto:tsarikoski@discoverycare.ca) or by calling our Main Site in Garson at **705-693-5282**.

Kind regards,

Tracy Saarikoski,

Executive Director **Notice of Closure: Friday, November 22, 2024**
